US DOJ sent the revised Patrial Consent Decree this afternoon to Capital Region Water. We hope to have a call with CRW within the next 2 to 3 weeks.

Confidential Settlement Communication – Subject to FRE 408

Fred,

I have attached a proposed Modification to the 2015 Consent Decree for CRW's review. I have also attached a redline that compares the Modification to the version of the Decree that we filed in 2015. Where appropriate, we have removed or modified provisions to bring the document up to date—those edits are reflected in the redline. You'll also see a number of comments/questions for discussion. To that end, we would like to schedule a virtual meeting with CRW within the next 2-3 weeks. Please let me know what dates/times work well for your team and we will schedule the meeting.

We look forward to hearing back from you. Please don't hesitate to reach out with any questions in the meantime.

Thanks,
Devon
